SAYS SOVIETS HAVE "BAITED TRAP IN ASIA"

Washington, Aug. 17—(AP)—Senator Wiley (R-Wis) today called for an all-out effort to keep the Chinese Communists out of the Korean fighting.

Saying that the Russians had "baited a trap" in Asia, the ranking active Republican member of the senate foreign relations committee declared in a statement:

"The greatest challenge that we now face is to use every ounce of diplomatic strategy that we have in preventing the Chinese Red armies from becoming involved with us in a titanic struggle.

"Such a struggle would bleed us completely dry—bleed us of our manpower, bleed us of our arms, bleed us of our economic strength".

The United States, he said, must use its friends in the Philippines, India, China and elsewhere to prevent the Communists "from attempting to stir up a race war against the United States."

Wiley said he had asked the administration for a complete report on its plans to avoid tangling with the Chinese Reds in Korea and southeast Asia.

Wiley made no mention of President Truman's order to the Seventh Fleet to defend the island of Formosa, where the Chinese Nationalist government is entrenched, against Communist invasion.

Neither did he take note of repeated Republican demands that the United States send military supplies to the Nationalists.

Senate Republican leader Wherry of Nebraska told the senate yesterday that the responsibility for the shedding of American blood in Korea rests with Secretary of State Acheson.

INFANTILE PARALYSIS CASES NOW AT PEAK

Pittsburgh, Aug. 17 —(AP)—Health Director I. Hope Alexander reiterated today there's no reason to become excited about the number of infantile paralysis cases in Pittsburgh and several western Pennsylvania counties.

Alexander called several polio experts to his office to study the polio statistics.

Dr. William M. Hammon of the University of Pittsburgh's graduate school of public health said that on the basis of previous experiences the peak for this season has been reached in this district.

COMMIES MUST REGISTER

Pittsburgh, Aug. 17— (AP) —A second Allegheny county community, Ross Township, has enacted a law which requires the registration of Communists and Communist sympathizers. A similar law went into effect this week in McKeesport.

Estimated Cost of Structure And New Equipment for Warren General Placed at $1,100,000

At the regular monthly meeting of the Board of Directors of the Warren General Hospital held today noon it was announced that, the final plans and specifications for the new building program had been approved by the special building advisory committee, and the hospital had advertised for bids for the entire construction program.

The original drive to obtain funds for the erection of two new wings and the remodeling and modernizing of the present hospital, started in 1945. The generous people of this community pledged approximately $400,000.00 for this project. Most of the pledges have been paid and the hospital now has on hand $397,325.36 for the building program.

After the many disappointments encountered during the war when it was impossible to obtain numerous required building materials, it is a matter of great satisfaction to the members of the hospital board to have all of the plans and specifications for the building program approved by the Board, the special committee from the Warren County Medical Association, and the special building advisory committee, which is composed of citizens who are neither board members nor doctors, and to finally be in a position to advertise for bids for the whole construction program.

It was stated early this morning that bids for the construction project will be received at three o'clock p. m., Thursday, September 21.

It is estimated that the entire building program will cost $1,100,000.00. This sum includes considerable new equipment which will be required for the new hospital. 40% of the cost will be paid from Federal grants for which the new building program has qualified, leaving approximately $700,000.00 of the total cost to be paid for by the people of this community. As $400,000.00 has already been raised, the final drive for funds will be to raise the additional $300,000.00 for completion of the whole building program. A campaign to raise this money will be set in motion as soon as actual building of the new hospital has started.

The hospital architects, Laurie & Green, of Harrisburg, Pa., who have had a great deal of experience in designing new hospitals and additions to old hospitals, have worked out an ingenious method of construction so that the operation of the hospital will not be interrupted during the period when the building is actually being carried on. The first step will be to build two new wings on the present hospital, with elevators and fully equipped to receive patients. These wings will extend from the present hospital northerly to the Crescent. All patients will then be moved into the two new wings except maternity patients who will remain in the present maternity building until full construction is completed. The next step will be to build a new kitchen, cafeteria, et cetera, one story high, in between the two south wings of the present hospital. The old hospital will then be completely remodeled and made as fire-proof as possible, with enclosed fire stairs at the ends of each wing. This remodeling program will include raising of the basement floor above any known flood level. While the old hospital is being remodeled, the operating suite will continue to operate until the new operating rooms are completed and equipped. And after the new operating rooms are ready for use, the old operating suite can be remodeled. The final step will be to move all maternity patients into their new quarters in the new wings of the hospital.

On completion of the building program, this community will have a modern 150 bed hospital. The old maternity building will be used as a much-needed nurses home.

Another matter noted with satisfaction by the Hospital Board was the present activity of Warren Borough in proceeding with the widening of St. Clair Street, which will be five feet wider on each side. The hospital has long felt the need of a wide street leading from the Hickory Street Bridge to the rear of the hospital.

Leaders Offer To Drop Their Efforts To Hook Red Curbs To Economic Bill

Washington, Aug. 17—(AP)—Senate Republican sponsors of an anti-Communist bill offered today to abandon their efforts to tie it to a home front mobilization measure—in exchange for a Democratic pledge.

The compromise proposed by Senators Mundt (R-SD) and Ferguson (R-Mich) calls for a flat promise by the Democratic leaders to bring up the curb-the-Communists bill later for separate action.

"Those are the only terms on which we will withdraw the bill as a rider amendment to the economic controls bill," Ferguson told a reporter.

Senator Maybank (D-SC), floor manager of the controls measure, said the Mundt-Ferguson proposal would have to await the return to Washington of Senator Lucas (D-Ill), the majority leader. Lucas, who is in Illinois, is expected later this week.

Senate Democrats have arranged a conference for next Monday to discuss the tangled situation. The party's leaders, and Lucas particularly, have shown little sympathy for the Mundt-Ferguson version for internal security legislation.

Foes of the bill have argued that it would drive the Communists underground and make the problem more difficult to handle.

Maybank said that in his opinion the Mundt-Ferguson bill "doesn't stand a chance" of being adopted as a rider. However, he predicted approval of the bill, or similar legislation, if it comes up separately.

On the other hand, both Mundt and Ferguson said they are optimistic about the chances of nailing their program into the economic controls bill.

Captured Officer Who Deserted Says Reds Cannot Win

Tokyo, Aug. 17—(AP)—A veteran Red lieutenant who deserted and surrendered to the Americans says the North Koreans can't win.

Intelligence officers at General MacArthur's headquarters said today the North Korean was assistant company commander and political officer of his unit in the elite North Korean Sixth Division. It was battered by U. S. Marines and army infantry around Chinju.

The Red estimated his division's 13th and 15th regiments suffered 50 per cent casualties and the 14th Regiment's losses were 80 per cent.

The lieutenant, a China Communist war veteran, added that the division lost 15 of its original 16 self-propelled artillery pieces, all four tanks spearheading its operation were destroyed.

A headquarters spokesman said the captured officer was "one of those we had been led by past experience to believe would kill themselves rather than surrender. Others have done so when facing capture."

The deserter said he became separated from his unit in a confused retreat. He hid in a village three days, then he found an air-dropped United Nations surrender leaflet—and gave himself up, explaining:

"I was tired of war and convinced the North Koreans can't win."

Lowly Tuber Reigning Supreme at Potato City

Coudersport, Aug. 17—(AP)—The lowly tuber reigned supreme at nearby "Potato City" today as thousands of Pennsylvania potato growers jammed the spot for their annual field day.

A highlight of the field day program, sponsored by the Pennsylvania Cooperative Potato Growers Association, will be selection of a 1950 "Potato Blossom" queen.

Some 18 pretty farm girls from 15 counties are competing for the honor. Rules stipulate that each must be a daughter of a potato grower.

The field day program also includes contests for state titles in potato picking and loading with separate events for both men and women.

The new Potato Blossom Queen will be crowned by Miles Horst, State Agriculture Secretary.

Allied Warships In The Sea of Japan

Washington, Aug. 17—(AP)—The Navy reported today that Allied warships have ranged up the sea of Japan toward far North Korea and bombarded shore targets.

A spokesman said the targets were on the east coast and north of the 40th parallel, but gave no other information about them. The Korean provinces above the parallel adjoin Manchuria.

At a pentagon briefing, the Navy also supplied further details about the sea rescue of South Korean troops surrounded by Communists in the Yongdok-Pahang area. Dispatches from Tokyo had told of the evacuation and identified the troops as the South Korean third infantry division.

The South Koreans were cut off by a Communist thrust around their left flank.

Sudden Thrust Is Described By U. S. 8th Army As "The Most Serious Threat To the U. N."

By The Associated Press

Taegu—North Koreans, undeterred by B-29 blasting, reported 15 miles north of South Korean provisional capital, in surprise power push by three divisions.

Air War—Headquarters has not yet evaluated results of big B-29 bombing of North Korean powerhouse area west of Naktong, but Reds snap back with some ground attacks.

Southern Front—U. S. 25th Division digs in behind barbed wire and mines in 27-mile pullback on Chinju front after departure of Marines.

Northern Front—Enemy may be swinging main effort to northeast where South Koreans hold line; South Koreans evacuated by sea north of Pohang and south of Yongdok.

With U. S. First Cavalry—32 more American prisoners with hands tied found shot dead by Red Koreans.

Hong Kong—British destroyer duels with Chinese Communist island batteries.

Tokyo, Aug. 17—(AP)—Three divisions of Red Koreans—25,000 to 30,000 men—started a power attack today on the Korean central front.

The drive was made down from a line between Waegwan and Kunwui, 15 miles north of Taegu, the South Korean emergency capital.

The Red invaders poured through mountain passes and were reported within 15 miles of the provisional capital.

South Koreans control roads in that area.

There is no river barrier along this new line between the Reds and Allied troops. It is on the east side of the Naktong.

Taegu is shielded by a high ridge of steep mountains.

The Reds faced winding mountain passes before the provisional South Korean capital.

The sudden thrust was described by U. S. 8th Army headquarters as the "most serious one to the United Nations in Korea."

It followed a massed bombing attack by 98 B-29s Wednesday which was aimed to slow the Red offensive.

AP Correspondent Lief Erickson at 8th Army Headquarters in Korea said the North Koreans attacking with between 25,000 and 30,000 troops.

In the path of the invaders were two South Korean divisions.

The sudden outburst to the north developed after U. S. Marines and the U. S. 24th Infantry Division jumped off with a counter-attack in the Reds' Changyong river-crossing bulge in a bloody effort to drive the enemy back across the Naktong.

The Marine-Army attack roared up a steep hill near Changnyong, 23 miles southwest of Taegu.

The Changnyong fighting was fiercest of the war.

The whole Korean war front was rapidly becoming a battle of position.

Troops were shifted on both sides.

The Reds moved the main portion of their 60,000-man force in the Waegwan area about 12 miles to the northeast for a thrust toward Taegu from Changchon.

This new Red threat from Changchon seemed to be the main enemy effort.

Steps to stop it and sporadic communist attacks all along the Naktong river line occupied Allied commanders.

In the deep south the reinforced U. S. 25th Infantry Division was alerted for a possible North

GETS BATTLE STAR

Mr. and Mrs. P. C. Jordan, Weldbank, have had word from their son, Pfc. Delbert L. Jordan, that he has been presented his bronze battle star for a week's action in the front lines in Korea and has been retired for a rest period. Young Jordan reports he has been in Korea for the past month after serving two and one-half years in Japan.

Legislation Extending Social Security To 10,000,000 Due For Final Approval

Washington, Aug. 17—(AP)—Legislation extending the social security program to some 10,000,000 more persons and boosting old age benefits for those already covered was due to receive final congressional approval today.

Chairman George (D-Ga) of the finance committee planned to call up for senate action a compromise version worked out by a senate-house committee after the two branches passed varying bills. No major opposition was in sight.

The house approved the compromise yesterday, 374 to 1. A senate okay thus would send the measure on to President Truman, who has urged extension of social security and increased benefits but objects to one provision of the present bill.

Main provisions of the bill would (1) add about 10,000,000 to the approximately 35,000,000 Americans now in the old age benefits program, (2) raise pensions of those now on the rolls by about 77½ percent, (3) approximately double payments to those retiring in the future, (4) raise from $3,000 to $3,600 the amount of annual salary taxed for benefits and (5) increase gradually, starting in 1945, the present 1½ percent tax on worker and employer to 3¼ per cent.

It was in the senate that the provision to which Mr. Truman objects originated, so no extended debate on the point was foreseen there.

Administration leaders in the house lost, 188 to 185, after making a determined fight to have the bill sent back to senate-house conferees with instructions to delete the controversial section.

Bill Ordering Two Mail Deliveries A Day Moves Into the Senate For Action

Washington, Aug. 17— (AP) — With enough votes behind it to override a presidential veto, a bill ordering two city mail deliveries a day moved to the senate today. It may die there of neglect.

The bill would cancel a post office economy order and put city mail service back on a schedule of two deliveries a day. It passed the house Wednesday by a vote of 264 to 106.

Although the senate postoffice committee has unanimously approved a companion bill, the senate's leadership has not seen fit to put it on the program for debate. There were indications that the bill would not be given a go-ahead but would be allowed to wither away in the senate.

The bill cleared the house by a 264 to 108 vote after opponents chided its backers for demanding economy one day and voting against it on another. They claimed the postal service cuts save up to $70,000,000 annually.

The bill's supporters insisted that the postal order was not true economy. They said it was hurting business and interfering with morale of troops who want their mail from home as quickly as possible.

$2.00 Bills Reduced To $1.98 at Waynesburg

Waynesboro, Aug. 17—(AP) The Waynesboro First National Bank and Trust Company set up a display over one of its cages, advertising: "Special—today only $1.98" over a stack of crisp new $2 bills.

The display went up when the bank opened at 9 a. m. yesterday. Hundreds read the sign, laughed and walked on. Finally, a 2:30 p. m., a half-hour before closing, an unidentified woman stepped up and made a purchase of the special.

It was no gag. She made two cents on the transaction.

British Destroyer Duels Shore Guns

Hong Kong, Aug. 17—The British destroyer Concord and Chinese shore batteries fought a 30 minute duel today in the second clash between British warships and Red artillerymen on the approaches to Hong Kong.

After the Concord battle it was officially reported the Navy frigate Whitesand Bay exchanged fire Aug. 2 with gun emplacements on Lingting island.

The concord fought with batteries on three islands—Taitami, Puntin and Lingting. Her captain said she fired in self defense after Red batteries opened up.

Royal Navy officers said there was one minor casualty and no damage to the ship as it steamed into Hong Kong.

Red shore batteries have been quick to fire on ships recently. On three successive days last week merchant ships were shelled. They were British, American and Norwegian.

NEW BANK BUILDING

Pittsburgh, Aug. 17—(AP)—The Mellon Bank-U. S. Steel building in downtown Pittsburgh is to have 41 stories instead of 39, as originally planned. It was first intended to put air conditioning and elevator machinery on top of the building behind a two-story wall. Now a roof will be placed over the open space to add 20,000 square feet of floor space.

Thirty-Two American Prisoners With Hands Tied Behind Backs Are Shot Dead

With U. S. First Cavalry, Korea, Aug. 17—(AP)—Thirty-two American prisoners with hands tied behind their backs were shot dead today by Red Koreans on a hill west of Waegwan just before a U. S Patrol reached the spot.

The Reds tried to kill 37 prisoners in all but five lived to tell the story. They said the Communists also massacred the wounded as they lay moaning on the ground.

This was in the area that was bombed yesterday by 98 B-29s in the heaviest air raid of the war. Killing of prisoners in this fashion is typical retaliation for such an assault.

The execution of the prisoners was on Hill 303, which was captured by the Reds this morning.

Their bodies were found on a ridge recaptured by the Fifth Cavalry this afternoon. The American prisoners were killed only two hours before troopers re-took the ridge.

The Americans seized the ridge at 6:30 p. m., (3:30 a. m. EST). The hill had been fought over for three days.

The 37 Americans were mowed down by bursts of gunfire.

Three North Korean prisoners were taken after a sharp fire fight nearby. One of them was positively identified by an American survivor—Cpl. James Melvin Rudd of Salyersville, Ky.—as a member of the squad of killers.

This prisoner denied he had taken any part in the action. Regimental officers said he would be sent back with recommendation that he be tried as a war criminal.

On the way back from the front we met the prisoner and Corporal Rudd on their trip back for joint questioning. With Dudd was another survivor—Corporal Roy L. Day, Jr., El Paso, Tex.

Day looked at the two North Korean prisoners in the back of the truck and said:

"If you ask me, I think they should be shot just as they shot our men, rather than be given a trial. Or else we ought to string them up right now."

Committees Named For Coming Year At Meeting of Junior Chamber of Commerce

The naming of committee chairmen for the coming year was the main item of business at last night's meeting of the Warren Junior Chamber of Commerce. Internal committees in charge of Vice President Glen Nelson are in charge of the following:

Membership, Thomas Schorman; Entertainment, Harry Spiedel; "I Speak for Democracy," George Templeton; Minute Men, Bernard Bloom; Program, David Levine; Awards, Lawrence Johnson; Extension, Alex Fino; and budget, John Haggerty; Christmas tree committee, Bob Johnson and Harry Schmidt.

External committees are in charge of Vice President John Newmaker. They include: sports, Milton Dahler and Bob Johnson; radio forum, Francis Buchanan and Harry Schmidt; public health, Richard Meacham; youth welfare, Murray Cameron and Fred Thompson; new projects, John Colter and Robert Schatzle; publicity, Bob Moorhead, Willis Tickner and Chuck Tranter; and music series, Jean P. Nelson and Arthur Briggs.

It was announced last night that Willis Tickner has been appointed a member of the state committee on the Distinguished Service Award. This committee will arrange the DSA banquet in January which will be held in Hershey and have as its principal speaker the governor of Pennsylvania.

The Jaycees received a request to help canvass local industry in the effort to obtain blood donors for the Red Cross Bloodmobile program. This was turned over to the public health committee.

The chapter also voted to present an old fashioned vaudeville show this fall with the proceeds to be given to the community youth canteen.

Shortage of Cement Delays Completion Of Starbrick Road

The Baldwin Construction Company, building the three-lane road through Starbrick, said this morning that they are entirely out of cement and unable at present to start pouring of the second lane. The first lane of the job was completed about two weeks ago.

With cement workers on strike, officials of the company said that they could get no encouraging news about when a shipment of cement would be received, although their summer's supply has been contracted for.

When a supply is received, the middle lane will be poured first instead of following the general practice of pouring the two outside lanes first and the middle last. Thus, if the middle lane can be completed, two lanes will be available for use throughout the winter months.

According to the Times-Mirror correspondent in Sheffield, the S. J. Groves Sons & Co., completed the pouring of the second lane in reconstruction of U. S. Highway 6 from Sheffield to Weldbank yesterday afternoon. It will be about two weeks before traffic will be allowed to use both lanes and official opening date of the new road is not known.

The contractor today is pouring a stretch of concrete berm along Crary avenue in Sheffield and has yet to finish approaches to the new pavement at both ends of the job.

Former Proprietor Of Struthers Hotel Here Passes Away

Gilbert Edward Gerow, proprietor of the Struthers Hotel in this city perhaps forty years ago, before the property was converted into store rooms now occupied by Harvey Carey, Style Shop, Watts Office Supply, and the Carter and Danielson Shoe Store, died at his home at Grand Valley at eleven o'clock Tuesday night following an illness of several months. Mr. Gerow acquired the fixtures and furniture in the hotel from the late George Leonhart, who constructed the building and operated it for some years.

Mr. Gerow was born at Grand Valley May 16, 1874, a son of the late John N. and Catherine Peck Gerow. He married Marian Horner of Tionesta in 1897. She died in 1943.

Mr. Gerow was a native of Grand Valley, but operated hotels at Tionesta, Warren, Madison, Wis., St. Petersburg, Fla., and Hendersonville, N. C. He retired about four years ago and made his home at Grand Valley.

The deceased leaves the following brothers and sisters: Miss Mary and Fred P. Gerow and I. B. Gerow of Grand Valley; Mrs. Iva Williams, of Titusville, Mrs. Dora Palmer of Cleveland, Mrs. Elena Myers of Gardenia, Calif., and Mars Gerow of Neilltown.

The remains were taken to the Wade S. Tracy Home of Funerals, at Titusville, where friends may call and where services will be held Friday at 2:30 p. m. Interment will be in Newton cemetery at Grand Valley, Rev. Harold L. Lyman officiating.

Police were called to an east side home yesterday when an altercation developed between a man, his wife, and his son. Officers straightened the argument out and left.

DRIVER ARRESTED

A driver who resides on Madison avenue, was arrested by city police about 7 o'clock last evening and charged with reckless driving. Police said that he was driving about 65 miles per hour on Madison avenue between Canton and Crescent streets in a zone posted for 25 mile speed.

VOTERS REGISTER

Registration teams from the Court House were in Bear Lake and Pleasant township yesterday. At Bear Lake, 12 Republicans and 14 Democrats were registered; and at Pleasant township, the score was 14 Republicans and two Democrats. The two registration teams will be in Youngsville and Sheffield today and tomorrow.

HITS BUILDING

A lady driver, whose name was not learned as yet, did considerable damage last evening to the garage-warehouse of the Warren Transfer and Storage Company, located on Conewango avenue near Third. A brick wall on one side of a one-car garage attached to the building was caved in, and officials of the company said this morning that repairs would run about $300. No report of the accident has been filed with city police.

LIGHTNING DAMAGE

Many wires, both power and telephone, were put temporarily out of commission in the Youngsville area yesterday afternoon when a severe electrical storm passed over about two o'clock. The home of D. L. Young, about two miles out of Youngsville on the Brown Hill road, was struck and Youngsville firemen responded to a call from occupants. There was no fire, and firemen, after making a thorough investigation which revealed only one broken window, returned in about a half hour. Work at the Youngsville brick yards was halted temporarily as lightning entered the plant and blew out fuses and burned wiring.

KOREA AND THE 38TH PARALLEL

We are still struggling to hold a sizable beachhead in Korea. Though our military leaders are confident we can stay on the peninsula, there's admittedly a serious risk to our positions.

Yet even if we should be thrown into the sea, we would come back to smash the Soviet-directed aggression of the North Koreans. So it's fair to ask at this critical period: How far should the aggressors be pushed back?

All our original plans called for driving them only to the 38th parallel, the artificial boundary estabished in Korea by U. S. and Russian occupying forces at the end of World War II.

Since then high officials both in the U. S. and the United Nations have been wondering whether that will be enough. No decision whether to go farther has been reached, and probably none will be until the necessity for it is greater.

Suppose we decide in the end it is still wisest to halt at the 38th parallel. This will leave the North Koreans with a staging base from which to mount a new attack southward when their Russian masters again should consider the moment suitable.

To be sure, if we give the northerners a thorough pummeling in pushing them that far, their strength will certainly be badly depleted for a long time. We already are pounding their industry and transportation heavily.

But the enemy might succeed in saving fair amounts of material and pulling back substantial remnants of his forces—all this to serve as the nucleus for a new invading army at a later time.

One way to meet that prospect, of course, would be simply to occupy South Korea for an indefinite period. But this obviously could be no more than a tentative solution of the Korean problem.

Korea should be unified. The United Nations tried to achieve unity and failed because Russia would not allow it. There is no reason to believe she ever will so long as she controls the northern area. Except, of course, on her own terms.

The UN now recognizes the South Korean government as the legal government of all Korea. That being so, the legal foundation exists for crushing the puppet North Koreans completely and occupying the whole peninsula with American and UN military forces.

If peace and unity are ever to be brought to that country, it can only be through the permanent wiping out of the invasion threat from North Korea. Anything less than that means an armed truce between South and North which could be broken at the will of the proved aggressors.

Should the U. S. and UN decision be to continue fighting north of the 38th parallel, the move must have full UN sanction. It can't be an American effort, but must be a world attempt to restore lasting quiet to a troubled spot.

One might argue that a drive over the 38th parallel involves risk of general war. The answer to that is: no more than does the present action. If Russia wants war, we shall have it. If she does not, plunging into North Korea will not produce it.

Interesting Items Taken From The Warren Evening Times

1930

Tomorrow is to be a red letter day for Frank Massa, Warren's 14-year-old tree sitter who has been on the limb for the past three weeks, for when the town clock strikes one tomorrow afternoon, he will descend from his leafy perch after having completed 51½ hours with the birds. Frank has been presented with a Boy Scout hatchet by a local lady.

The final coat of paint on the new Armory flag pole was put on this morning by Earl Rowlay and within a few days the new flag will be raised.

HERE and THERE

We are ver happy to comply with a request received asking that the following be printed under the heading, "Tribute to the County Hot Stove League:"

The summer is nearly over and the County Hot Stove League has about finished a very successful season of baseball in which the majority of the county's lads from 8 to 16 years have been banded together in good fellowship and sportsmanship, the stuff from which good character and manhood is developed. No praise is too high for the leaders and sponsors of this youth movement. So we would like to pay tribute to their efforts by relating a true story of one of their units.

This unit was a group of 15 or 16 boys from 8 to 10 years, half of whom couldn't even play baseball, in a community where no one was interested enough to accept the responsibilities of their management. At last the father of one little fellow, after being urged by coun. leaders, accepted the post with misgivings. With a group of untrained youngsters, no local field on which to practice and in a neighborhood of apparently uninterested parents, the job looked hopeless.

But the leadership was all this community needed Other fathers offered to help, a farmer friend donated a field; the township supervisors donated equipment to clear and grade a baseball diamond, parents made a special effort to see that junior got to practice, and two or three mothers made it their business to keep daytime practice sessions on an even keel.

The little fellows lost their first game, but then all this neighborhood cooperation and good will started to pay off. The boys began winning, and became champions of the Warren Hot Stov. Bantam league.

But that isn't the end of the story. Once after winning a game the manager treated the lads to ice cream and cake at his own ex-

Corry Paper Has Reports of Flying Saucers Over Area

Corry Journal: Those reports of a single flying saucer whipping through the sky are as outdated as the nickle bottle of soda pop.

At 3 o'clock Monday afternoon residents along East Main street called The Journal to report "a dozen" silver colored discs flying over the city in a southeasterly direction.

More telephone calls confirmed the fact that in the eastern section of the city scores of persons were standing with their necks craned skyward and watching what was dubbed on the spur of the moment "flying saucers".

Those who saw the objects—and there were many, including Pete Mallick, Robert Owens and George Carnrik, to name a few of the adults — said they could hear no noise from the objects which at times flashed silver and then black. Describing them as about the size of a dishpan but flying more than a mile high, the observers said they apepared to fly in no particular formation

One observer, who stated he watched the objects closely, described them as more triangular in shape than round.

The mystery of the flying saucer is still as much a mystery as ever but the Navy is known to have experimental jet fighters with wide swept-back wings which give the appearance of a triangular shaped plane when viewed from the ground. To date the Navy has been non-committal as far as throwing any light on the "flying saucers."

We have mentioned no names but you'll have no trouble finding this little team of champion with their orange caps and sweaters bearing the insignia of the Community Consumer Discount Co., Hot Stove League sponsors.

(Our sincere thanks to the writer of the above who prefers to remain ananymous. It is hoped this may suggest articles of similar nature about teams participating in the unusually successful Hot Stove League this year.)

Our mail bag was unusually prolific today. Here's another, with an interesting clipping enclosed It says: "Dear Ed—I see you are always looking for space fillers for your column Here and There. Enclosed find a clipping from the Rimersburg Record which may be of interest to some readers I know it interested me and several friends.—Jack A. Henry". The article follows: The following sale notice, clipped from a Kentucky paper of 1850, was brought to our office:—To whom It May Concern: Having sold my farm and intending to move to Missouri, I will sell at public auction, one mile west of and four miles south of Harrisburg, Ky., on Saturday, September 5, 1850, the following described property, to wit—One buck negro, 5 years old, weight 10 lbs; four negro wenches from 18 to 24 years old, 3 negro boys 6 years old; 13 hoes; one pine sled; 6 yoke of oxens, well broken; 10 yokes with hickory bows; 2 ox carts, with 6 inch stress; one saddle pony 5 years old; one side saddle; 3 double shovel plows, 10 and 12 inch; 25, 1 gallon jugs of whiskey; 100 gallons of apple cider; one barrel of good sorghum; 2 barrels of soap; one extra good negro whip and 2 tons of 2 year old tobacco. Terms cash, "I need the money." Col. B. Johnson, auctioneer, Bell Crawford, clerk. Signed, Joe Cooley, owner, C. B. A.

This And That: Another request in the mail bag asks that we call attention to Reynoldsville's centennial celebration, August 28 through September 4, with a slogan—"Western Pennsylvania's Biggest Labor Day Celebration!" Contests, athletics, fireworks, pet parade, queen's ball, Jimmie DeHart Day, street dances, big parade, ball games, street carnival, church services, free Hi-Aerial act are promised. . . . MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, overexertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.
If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Martin Reunion Held At Kirby Summer Home

The annual Martin reunion was held at the summer home of Mr. and Mrs. Orvil Kirby, Russell, with a picnic dinner served from tables on the spacious lawn, and a arge anniversary cake made by Mrs. George Olson honoring Mrs. Louise Martin, who was celebrating her 91st birthday, and Mabel Martin, aged 82.

The afternoon was spent in taking pictures and playing baseball, quoits and other games, with musical numbers, vocal and instrumental, given by the following: Mrs. George Olson, guitar; Theodore Fox, dulcimer; Nancy Kerby, special accordion numbers. The highlight of the afternoon was the hike to scenic Gardner's Rocks, with Lewis Martin and Charles Martin as guides.

Those attending were Mrs. Mabel Martin, Mr. and Mrs. Fred Martin, Mr. and Mrs. Everett Martin, Bobby Martin, Mr. and Mrs. Paul Martin, Paul Martin, Jr., Mrs. Adeling Lott, Barbara Lott, eGorgia Lott, Mr. and Mrs. Louis Martin, Mr. and Mrs. Robert Brugger, David Brugger, Anna Lou Brugger, Mr. and Mrs. Leo Harmon, Emma Jean Harmon, Anthony Silka, Nelvin Schultz, Ray Russell, Janice Bogelbach, of Erie; Mr. and Mrs. Roy Martin, Mr. and Mrs. Orvil Kerby, Bettie Kerbq, Nancy Kerby, Mrs. Alice Kerby, Mr. and Mrs. Fred Brasington, Barbara Brasington, Frederick Brasington, Jr., Mr. and Mrs. Theodore Fox and son, Mrs. Louise Martin, Mr. and Mrs. Clarence Martin, Charles Martin, Mr. and Mrs. William Martin, James Martin, Sue Martin, Darnell Martin, and Mrs. Josie Herrick, of Russell; Mr. and Mrs. George Olson, Mr. and Mrs. Harold Bradford, Warren.

GOLDEN WEDDING OF THE GEORGE HADDENS

Mr. and Mrs. George Hadden, 3 Hemlock street, will be honored guests Sunday afternoon for a reception beginning at one o'clock at the Hemlock Community house and marking their golden wedding anniversary. Invitations for the affair have been issued by their daughter, Mrs. Joseph Smith, and their granddaughter, Miss Joanne Highhouse, who will be hostesses. The Haddens were married in Jamestown, N. Y., August 16, 1900, by Rev. Borzing.

Fashion Specialist Is Paying Visit to Metzger-Wright's

Winding up a trans-continental tour of 130 weeks from the largest cities of the country to the smallest communities Miss Alys Fram, of New York City, is paying a visit to the Metzger-Wright Company store this week and next to aid Warren Women with their intimate fashion problems.

She is available for consultation at the store today and tomorrow 10 a. m. to 5 p. m., and Monday through Friday next week at the same hours. There is no charge for her services and those consulting her are under no obligations.

Miss Fram has been conducting a series of fashion courses, shows, radio programs, in department stores in an endeavor to educate women from all walks of life, all ages, from teen-agers to grandma-in the correct selection of undergarments.

For many years women have followed the fashion dictates without applying these various fashion modes to their individual requirements. From the "Flapper Days" to the present have come many drastic changes, some with detrimental effects. One of the reasons for this educational goodwill tour, by Miss Fram has been to correct such effects.

In all her work, Miss Fram stresses "fitting" and says that "it is not the price of the garment that counts, but the fitting, and women should no longer purchase by over-the-counter eye appeal, but completely by fit-appeal!"

40TH ANNIVERSARY OF INTEREST LOCALLY

Youngsville, Aug. 17—The Rev. and Mrs. Charles Reed will be honored guests for a reception in the Brooklyn Heights Methodist church in Jamestown at 7:30 p. m. Thursdaly, August 24, when the well known couple will observe their 40th wedding anniversary.

The Reeds have many friends in Youngsville, who remember with pleasure their pastorate in the local Methodist church before they went to the Jamestown church.

An invitation for Youngsville folks to attend the reception has been extended through the local pastor, Rev. E. W. Chitester.

JOANNE ERICKSON GUEST FOR PARTY

Bride-elect Joanne Erickson, who will wed William Sandberg, Jr., on Saturday, August 26, was guest of honor for a miscellaneous shower given at the Walter home, West Main street, Youngsville, when hostesses were Mrs. Gordon Clark and Mrs. Earl Walter.

Twenty-eight guests were present from Youngsville and Warren to spend a pleasant evening playing "knock", with prizes going to Mrs. Laverne Hull, Mrs. Norma York and Claire Erickson, high; Mrs. Bertha Bailey, Mrs. Helen Mitchell and Mary Lou Goodwill, consolation.

A two course luncheon was served at tables centered with flowers and places marked by white favor-baskets holding wedding bells. On the honored guest's table was a miniature bridal couple standing beneath an orange blossom archway. Miss Erickson was showered with many lovely and useful gifts for her future home.

PLEASANT GIRL SCOUTS HAVE OUTING

Girl Scouts of Troop 51, Pleasant township, are home again after a pleasant weekend spent at Camp Birdsall Edey. Those who joined the outing were Sally Nelson, Sherry Petersen, Beverly Rapp, Connie Valone, Beverly Lindsey, Carol Hoffman, Shirley Burchard, Mary Ann Watt, Nancy Yaegle, Joan Trembley, Peggy Reynolds and Florence Chapel.

The Scouts were accompanied by their leader, Mrs. Pauline Rapp, and two of their troop committee members, Mrs. Eric Nelson and Mrs. Frank Valone. All report the weather was perfect and the girls are looking forward to another such weekend next summer.

ARNOLD FAMILY

The John C. Arnold family will hold its annual reunion Saturday at Wildcat Park, Ludlow. Dinner, for which those attending are asked to bring tureen and table service, will be served at 1:30. Coffee, cream and sugar will be provided by the committee.

CONFIRMAND REUNION AT SARON LUTHERAN

A reunion of all confirmands, members and friends of Saron Lutheran church will be held on Island Park, Youngsville, next Wednesday, August 23, with a program beginning at four o'clock and a picnic supper served at six. All attending are asked to bring a tureen and table service, the coffee, cream and sugar to be provided by the committee.

Cards have been mailed out for the reunion, but a complete list of confirmands is not available, since church records were lost some years ago. Anyone eligible and not in receipt of an invitation is asked to contact Mrs. Russell Swanson or Mrs. Wendell Engstrom.

HOME LEAGUE PROGRAM

The theme for the worship service to be held at 7:30 o'clock this evening by the Salvation Army Home League will be "The Garden of Prayer", with Mary Robinson, Mildred Watt and Mrs. Helen Woodley as leaders and all members and friends cordially invited. Light refreshments will be served to conclude the evening. These meetings, which are held weekly, are planned for all women who are interested in home and family.

NAMES WEDDING DAY

Mr. and Mrs. Charles Knapp wish to announce that their daughter, Phyllis, has set the date of September 16 for her marriage to William Rudolph.

The ceremony will be performed in Epworth Methodist church at 2 p. m., with the bride observing open church.

Clarendon WSCS Meeting - Program

Clarendon, Aug. 17—Fourteen members were present for the regular meeting of the WSCS, held in the Methodist church parlors, with devotions and the program in charge of Emma Miller and Dorothy Mottern.

The meeting was opened by repeating the Lord's Prayer in unison; hymn, "Where Cross the Crowded Ways of Life"; scripture reading from the 46th and 95th Psalms; "Meditations"; "Building a Mission Church", read by Pauline Newman; hymn, "On Christ the Solid Rock I Stand".

Maude Hyer gave an interesting reading on "Bennett College in Brazil", followed by a talk by Martha Schneider on "Iwa College in Korea" and by Mary Campbell on "Iwa College in India". This portion of the meeting came to a close with all singing "Jesus Shall Reign", and prayer by Dorothy Mottern.

The business session was opened by the president and various reports were given by Claudia Haag, Mary Campbell, Margaret McBride and Evelyn Meley. Martha Schneider gave a report concerning the cook book which the society is sponsoring, Evelyn Meley distributed programs for the coming year, and a collection of $18 was received. To conclude, dainty refreshments were served by the hostesses, Mabel Dykins and Anna Dorsey.

Next session of the group will take place Tuesday evening, September 19, with Gertrude Damm in charge of devotions, Martha Schneider conducting the program, Claudia Haag and Genevieve Kinch as hostesses.

SHOWER HONORS LOIS NEWGREEN

Mrs. Karl Petersen and Mrs. Axel Christensen were hostesses at the former's home, Crescent street, for a miscellaneous shower which honored Lois Newgreen, who will be married September 1 to Donald King, Tidioute.

A color thought of pink and white was carried out in appointments for the refreshments table, with the honored one receiving a corsage and a miniature corsage marking the place of each guest.

Games were enjoyed, with Mrs. William Weaver winning high award for five hundred; Mrs. Stanley Newgreen, high for canasta.

Guests included Mrs. John King and Mrs. James Byrnes, Tidioute.

PLANS OPEN CHURCH

Mable Morse, daughter of Mr. and Mrs. Arthur Morse, 106 Main avenue, will observe open church on Saturday, September 2, for her marriage to William Horner, son of Mrs. Marjorie Horner, Youngsville.

The ceremony will be performed at 4:30 p. m. in First Methodist church.

Methodist Parishes To Join In Conference

Russell, Aug. 17—Dr. Charles T. Greer, superintendent of the Jamestown District, conducted the quarterly conference of the Russell and Akeley Methodist churches in the local church last evening.

The meeting got under way with a tureen supper which was attended by 34 persons.

Reports presented included the following: Sunday schools, John Ellis for Russell and Mrs. Edward Miller for Akeley; WSCS, Mrs. Ernest Peterson for Russell and Mrs. Victor Lundmark for Akeley; treasurers, Rachel Springer for Russell and Anton Lindquist for Akeley; Young Women's Missionary Society of Akeley, Mrs. Algot Lindgren; trustees, Edwin Branstrom for Russell and Anton Lindquist for Akeley.

A vote taken during the session favored raising the pastor's salary $200.

ANNUAL SCHOOL REUNION IS PLANNED

The 37th annual reunion of the Clendening and Friendship schools will be held Saturday of this week at the Friendship school house in Elk township. All former teachers, pupils and their families are cordially invited to come and "spend the day with the old timers", and each one is asked to bring sandwiches, a tureen and table service for dinner to be served at one o'clock. Coffee, cream and sugar, and ice cream will be provided by the committee. Paul Nelson is president of the group and Mrs. C. C. Jury is secretary.

Needles of Sugar Pine grow in clusters of five and are three to four inches long.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 4 and 7 to 9 p. m.

MRS. ALBERTINA NELSON

Titusville Herald: Mrs. Albertina Nelson, who lived at 123 Brook street for many years, died at the Mallory Nursing Home in Hydetown at 2 a. m. Wednesday. She had made her home there for the past five years.

Born April 24, 1857, in Sweden, she came to this country when she was a young girl. At Warren she married Elof Nelson and the couple lived there for a few years before they came to Titusville. Mr. Nelson died in 1931.

She was a member of the Swedish Congregational church.

She leaves a son, Rudolph W. Nelson, and two granddaughters, Mrs. Howard Swanson and Joan Lea Nelson of Titusville.

Friends may call at the E. A. Peterson funeral home where services will be held at 2 p. m. Friday. Rev. C. O. Swanson will officiate and interment will be in Woodlawn.

NITA SOPHIA BENSON

Mrs. Nita Sophia Benson, widow of Fritz Benson, died at 4 a. m. day at the home of her son, Henry, 26 South Carver street, where she had resided for the past two years. She had been in failing health for the past 12 years.

Born in Leipzig, Germany, on November 26, 1868, she came to Warren with her husband in 1914, and was a member of St. Paul's Lutheran church.

Besides her son, she leaves a sister, Mrs. Marian Chase, Cleveland, O.; two grandchildren, Donald Benson, Cleveland, and Mrs. Shirley Lee, Warren; also one great-grandchild, Richard Lee, this city. Her husband preceded her in death February 24, 1949.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours after 10 a. m. Friday and from where services in her memory will be held at 2:30 p. m. Saturday. The Rev. Nore Gustafson, pastor of St. Paul's, will officiate and interment will be made in Oakland cemetery.

CARD OF THANKS

We take this means of expressing our deep appreciation to friends, relatives and neighbors for their expressions of sympathy and acts of kindness shown at the time of the death of our father.

Family of Henry Swanson, Jr.

DEMOCRATIC DAY

Robert F. Wagner, Jr., president of the Borough of Manhattan, will be the main speaker at Democratic Day at Celoron Park next Sunday, Samuel J. Conte, president of the Greater Jamestown Democratic Club, announced last night. Pressure of the Korean War situation, Conte said, forced Federal Security Administration Oscar Ewing to cancel an engagement to speak at the rally, and Wagner will appear in Ewings' stead. The eminent Democrat, son of former U. S. Senator Robert F. Wagner, will speak at 3 p. m., at the park center. In the event of rain, Conte said, the address will be delivered either in the Pier Ballroom or other shelter on the park grounds. A full day of activity has been planned for the August 20 countywide rally, sponsored by the Greater Jamestown Democratic Club and the Women's Democratic Club of Jamestown. Participating will be Democratic Party groups from Celoron and Falconer.

Fine Time Enjoyed By Russell Citizens At a Joint Outing

Russell, Aug. 17—Widespread reports from the outing held last evening by the firemen, auxiliary and bandamen, with their families, indicate the affair was a "howling" success.

Held on the school grounds, with Leonard Weston in charge of the contests, the program and tureen supper were attended by more than 100 persons.

Another feature of the event was a ball game played between men's and women's teams, the male members playing under several handicaps and losing to the ladies, 18-3.

Following the picnic, firemen held their regular business session in the fire hall, with President Charlie Fox in charge. A committee, composed of Fred DeWatter, Kenneth Jespersen and Chief Pat Ferrie, was appointed to investigate the purchase of a second hand tanker.

Russell firemen received an invitation to take charge of the children's sports and contests for the Warren County Active Volunteer Firemen's Association picnic to be held at Wilder Field at Irvine on September 17. Named as a committee for this project were Ray Thompson, Clarence Jones and John Stanton.

It was also announced the firemen will have an exhibition water battle in conjunction with the annual Homecoming festivities at Scandia on Labor Day.

Guardsmen Under Coverage of Vets' Reemployment Law

Joseph D. Benson, director of Veterans Affairs, with offices in the court house, submits the following regarding federalized guardsmen and reemployment rights:

National Guardsmen whose units are called into Federal service are automatically brought under coverage of the veterans' reemployment rights laws, Secretary of Labor Maurice J. Tobin announced today.

Secretary Tobin said that under the provisions of the Selective Service Act, members of such units who leave other than temporary positions in private industry or with the Federal Government will be eligible for reinstatement in their old jobs upon release from the service if they comply with provisions of the Act.

In addition to the requirements of the act, Secretary Tobin said, guardsmen called into service should advise their employer in writing as to the reason for their leaving.

The major provisions of the reemployment laws, which must be complied with for a veteran to obtain reinstatement, include the following:

1. Satisfactory completion of military service and receipt of certificate to that effect;
2. Application for reemployment within 90 days after relief from duty or from hospitalization continuing after discharge for a period of not more than 1 year.
3. First enlistment since June 24, 1948, for a period of not longer than 3 years, or if a reservist, service for a period of not longer than 3 years as soon after such period as he is able to obtain orders relieving him from active duty.
4. If the position left was in the employ of a private employer, the employer's circumstances must not have so changed as to make it impossible or unreasonable to reinstate the ex-serviceman.
5. If disabled during military service and not physically qualified to perform the duties of the poistion he left, the ex-serviceman is to be restored to such other position as he is able to fill.

BRADFORD FIELD REPORT

Milk Cooperative Convenes at Gerry

Local dairymen who recently became members of Eastern Milk Producers Cooperative Association, Syracuse, New York, held a meeting at the Gerry Grange Hall, Gerry, New York. The meeting was held for the purpose of discussing future milk pricing and present marketing conditions in the New York Milkshed.

Gerald Waite of Cassadaga, president of the newly organized local Eastern Milk Producers, was chairman of the meeting. Mr. Waite introduced the following speakers: John C. York, economist for the Association and Directors Roswell P. Kinney and J. Holton Wilkins. A report was given to the producers by Allan Arthur, Akeley, Pennsylvania, delegate who attended the annual Eastern Milk Producers meeting at Syracuse, New York.

This new local, which was organized by Eastern on May thirty-first of this year, came as a result of requests made by producers who ship milk to the Grand View Dairies at Akeley, Pennsylvania. Producers requested to become affiliated with Eastern in order that they might receive the protection and services offered by the Association.

The new local became part of District 15, one of the Association's fifteen districts, and is represented by Director Edwin R. Smith of Seneca Falls, New York.

Lightning Strikes Barnes Residence; Damage Is Slight

Sheffield, Aug. 17 — Lightning struck the Roy Swope house at Barnes during the short storm yesterday afternoon and knocked the wiring from the house. The house began to fill with smoke and the Sheffield volunteer fire department was called at 3:30 with 18 men answering the alarm. There was no damage and the men returned to the firehouse after discovering the cause of the smoke.

The local fire department received a call at 6:32 last night to go to Kinzua on a trial run. The test trip was also made by the North Warren and Clarendon departments with the event being planned by the Warren County Volunteer Firemen's Association in regards to the mutual assistance agreement and in cooperation with the county disaster committee.

Object of the test runs are to acquaint the department with pumping facilities and hose connections. Several departments will make a trial run to Sheffield within the next few weks.

Cornplanter Line Marks Western End Of McKean County

Bradford Era: The Western line of McKean County is often called the Cornplanter line, for here the old Indian chief lived for many years. He was born in Conewangus on the Genesee River to an Indian mother, who was the hunting wife of John O'Bail, a white trader from the Mohawk Valley.

In July of 1775 he was alleged to have been in the French service opposing Braddock, but later was with the British at the time of the Wyoming Massacre and on the death-dealing scout through the Schochaire Kill and the Mohawk Valleys. When the success of the Revolution was assured he hurried in the burial of the hatchet and assisted in the post revolution treaties.

For his services he was given a beautiful reservation near the Kinzua Valley, (the river and the valley were named from Kinzuaquad, a contemporary chieftain) where he settled and lived in 1791. He died in 1836. The Indians who visited the settlements during the first two decades of this century are in their graves, but at long intervals a small band of their old children visit the hunting grounds

Jim Jacobs, the aged Seneca Indian who prior to the war, hunted in McKean, Elk, Potter, Forest and Cameron Counties visited throughout the county in November, 1850 to renew his old time sport and observe the changes. Near the northwest corner of McKean County were 640 acres, the last piece of Indian land in Pennsylvania. Forty years ago the place was called "Burnt Houses"

Leaders of Both Parties Claiming M'Arthur Own Hero

Washington — (AP) — General Douglas MacArthur, once a passive candidate for the Republican presidential nomination, appears to be figuring unwittingly in the congressional election campaign.

The general, who has his hands full with United Nations military operations in Korea and planning the defense of Formosa, is by way of being claimed by both Democrats and Republicans as their own particular war hero.

For some Republicans, MacArthur has become the symbol of reviving American military might that will overcome what they call administration "blunders" in the Far East.

Similarly Democrats, from president Truman on down, are giving MacArthur the kind of praise that he had no thought of collecting two years ago when he allowed his name to be entered in the Wisconsin Republican presidential primary.

MacArthur won some Wisconsin delegates but Gov. Thomas E. Dewey of New York got the presidential nomination.

For some Democrats, at least, MacArthur and his fighting men offset charges that a reversal of administration policies occurred when President Truman ordered armed intervention in Korea.

Senator Bruster of Maine, the GOP senatorial campaign committee chairman, put one Republican viewpoint on the records at a speech at a party meeting in Charleston, W. Va.

Brewster called for the resignation of Secretary of State Acheson, asserting that the cabinet member's declaration earlier this year that Korea was outside the Amer can defense Zone gave Stalin "a green light to take over Korea."

"At the thirteenth hour," Brewster declared, "the signals were changed and MacArthur was ordered to enter the fight without previous warning of any kind that such action might be contemplated."

The broad inference was that if the fight in Korea is successful, the credit will have to go to MacArthur and not the administration's planners in Washington.

The world's rarest game bird is the Hawaiian goose or "nene". Changes in land use and extra hunting pressure have reduced their ranks to a pitiful remnant of not over 25 or 30 birds.

Poultry Group Will Meet at Farm Show Early In October

Harrisburg — Thousands of poultrymen of Pennsylvania and the 12 other northeastern states will converge on the Pennsylvania Farm Show building here next October 3, 4 and 5 for the 1950 meetings and expositions of the Northeastern Poultry Producers Council.

I will be the third consecutive year that the NEPPCO exposition will have been held in the Farm Show structure which is considered ideal for large meetings and displays for farm people.

Miles Horst, State Secretary of Agriculture, says NEPPCO officials have engaged to take over the main exhibition hall, small arena and some meeting rooms in the Farm Show Building. Approximately 150 exhibitors of poultry equipment and services have reserved space to show everything for the poultry enterprise from mammoth incubators to automatic feeders and waterers. Many new items will be on display for the first time, especially items which save labor and save operating dollars.

"Fifty Years of Achievement in the Poultry Industry" is the theme of the 1950 NEPPCO exposition, the Secretary said. Most of the important development in the poultry industry were accomplished in this period, he explained. Besides seeing and hearing the latest in modern poultry production, the visitor will see how this industry, through one major development after another, has become one of the three major industries in American agriculture, he added. In Pennsylvania the poultry industry is second only to dairying and has had a cash income exceeding $200,000,000 in each of the past two years

A feature of the forthcoming poultry exposition will be a banquet where each of up to 2,000 people will be served a whole roast chicken. The birds have been hatched and are now being grown to eight weeks of age at the University of Delaware. Hatching eggs were supplied by winners in the National Chicken of Tomorrow contest, goal of which was to produce better meat chickens.

There will be special contest and other events for 4-H Poultry Clubs and Future Farmers of America members.

Korean attempt to break through toward Pusan.

Red armor was reported rushing to that area to reinforce the war-worn Sixth Division.

The marine battle for the cliff outside Changnyong was the bloodiest fight Thursday.

The marines were up against part of 12,000 river-crossing Reds who bulged out seven miles east of the Naktong and clawed to cut the Taegu supply line from Pusan.

The slowly advancing marines, their wounded and stretcher bearers targets of Red snipers, weathered a Red artillery attack.

U. S artillery poured a constant barrage into the Red positions on the hill. Some of the Communists came halfway down the slope to fire on stretcher-bearers carrying out the wounded marines.

When the stretcher bearers ran short, South Koreans were pressed into service to help evacuate the Leatherneck wounded.

Brig Gen. Edward Craig, the Marine commander, said the battle is "stiffer than I thought it would be but I think we will be able to move ahead."

AP Correspondents Don Whitehead and Jack MacBeth with the Marines repofted the Leathernecks hung on to part of "Slaughterhouse Hill".

The hill commands one of the vital sections of the Naktong river bridgehead in the heart of the 120-mile Korean battleline. It is about 26 miles southwest of Taegu, the South Korean Republic's emergency capital.

Correspondent MacBeth said the devil-dogs were badly outnumbered but grabbed and hung to part of the heights in a bloody fight.

Elements of the U. S. First Marine Brigade jumped off at dawn Thursday and stormed the hill in traditional Marine fashion.

MacBeth said by mid-afternoon Thursday they had secured part of the ridge and marine reinforcements were pouring into the battle.

U. S. 24th Infantry Division troops were held back at the start of the new offensive, under battle plans. Then they were rushed into the fight on the Leathernecks' right flank. There were no reports on their progress late Thursday.

ODDITIES IN TOWN

Robert Ripley's "Believe It or Not" Odditorium, parked in Liberty street at Second avenue, was attracting widespread interest today The exhibit, mounted on a truck, is sponsored by the Disabled American Veterans. It will remain here tonight, all day tomorrow and tomorrow night. Admission to the exhibit is free, although donations for the D. A. V.'s work with crippled war veterans are accepted.

VOYAGE WITHOUT CARGO

French government subsidies once were so great that it paid a ship owner to take his vessel around the world with no cargo aboard, according to the Encyclopedia Britannica.

Estimated Cost of Structure Placed at $1,100,000

(From Page One)

The change will require some change in the present parking system, so that the parking spaces on the west side of Main street will be reserved for doctors and visitors Employees of the hospital will use a new parking lot west of the maternity building, off the private driveway that runs from St. Clair Street to the Crescent.

Reports from the building and grounds committee, house committee, finance committee, and the treasurer, were received and approved. Most of the time was taken up with discussion of the new building program and it was noted with satisfaction that the architects do not believe the present war situation will materially alter their original estimates of the cost of the building program.

CO. LIBRARY MEETING

The Friends of the Warren County Library have selected the North Warren County House for their next county-wide meeting. Mrs. Gerry Archibald, president, has announced that a general invitation is being extended to everyone who is interested to attend the County Bookmobile meeting Tuesday evening, August 29, at eight o'clock. Further details about the session will be announced later.

HOME FROM HOSPITAL

Billy Eaton, son of Mr. and Mrs. Earl Eaton, of Clarendon, who narrowly escaped death Saturday afternoon when he was caught in the hopper of a carload of gravel, was discharged from Warren General Hospital yesterday. The youngster suffered a back injury, but was otherwise unhurt. He was trapped in the gravel for nearly two hours as workers attempted to shovel the loose stones away and was released only when workers from nearby barrel works cut holes in the sides of the car with acetylene torches to relieve the pressure.

Hot Stove League To Share In The Proceeds for Warren Night

The Warren Hot Stove Baseball League will benefit in a financial way from sale of tickets for "Warren Night" at Jamestown Municipal Stadium next Tuesday night when the Falcons tangle with Bradford in a PONY league scrap

This was announced at a Hot Stove leaders meeting in Trinity Memorial parish house last night by Johnny Moss, general manager of the Falcons.

Moss said 10 percent of the tickets sold in Warren, after tax deduction, will be given to the Hot Stove League to help finance that organization's program.

A big night at the Jamestown stadium is in prospect, with the Jamestown Baseball Club going all out to arrange the program.

In addition to the regular PONY League game matching two long-time rivals, Jamestown and Bradford, there also will be a five-inning scrap between the Warren Business College team of the Hot Stove League and a team from the Jamestown Muny League. Several special awards also will be made.

General admission tickets for the game were placed on sale here yesterday at these downtown businesses:

Mack's News Room.
United Cigar Store.
B & B Smoke Shop.
Texas Lunch

Tuesday night is also Ladies Night at the Jamestown park and a tax ticket costing 25 cents for the women folk is available at the same stores

All Hot Stove team members in the Bantam and Midget loops will be admitted free of charge to the game Hot Stovers in the Intermediate and Junior circuits will be admitted on a tax ticket, also costing 25 cents Team managers may secure a supply of these tickets from League Treasurer Bob Moorhead at the Times-Mirror office.

Ward and district chairmen are asked to arrange transportation with parents for all Hot Stove members in their districts Hot Stovers are asked to wear their uniforms, and the group will assemble outside the ball park and march to their seats in a unit

The Intermediate game is scheduled for 6:30 p. m, while regular PONY league game will get under way at 8 o'clock

Midget Squads To Break East Division Deadlock Tonight

The Eastern Division pennant of the Hot Stove Midget Baseball League will be at stake tonight when the Times-Mirror squad of the Ninth Ward and the Spouts of the Eighth Ward tangle at Jackson field, near the Warren airport

Game time will be 6 o'clock

The two teams finished in a tie with 10 and 2 records for top rung on the Eastern Division ladder.

Winner of tonight's game will enter a best-out-of-three playoff series with the Sons of Italy, Western Division winners, for the league championship.

First game in the playoff series is slated for Monday, August 21, at 6 o'clock, while the second scrap is set for Thursday night, August 24 Sites of the games will be announced later

FIRST OF THE FINE CARS IN VALUE

BIG MOMENT- with a Double Impact

It's a big moment when any new car rolls up to your door and you start out fresh and spanking bright.

Think, then, what it's going to mean when that new car is a ROADMASTER like this one pictured here.

You'll swing wide the door and slide into a car that's truly fine—and looks it.

You'll put foot to treadle and touch off the might of a great, 152-horsepower Fireball straight-eight that's ready to master any road—or anything it meets there.

You'll have the silken magic of Dynaflow Drive to simplify your driving, ease your way. A handsome flexible steering wheel, automatic windshield washers, soft Foamtex cushions, and many other items that are "extras" elsewhere are standard equipment here.

But even while you enjoy all that, you've a still deeper satisfaction enriching your pleasure.

For here you have not only a fine car, but a sound and frugal investment as well.

You have paid *less per pound* than any comparable car costs—and automotive men will tell you price per pound is the soundest measure there is of solid, thoroughgoing merit.

You've bought quality—top quality—all the fine things a fine car should provide. But you haven't spent a penny more than a fine car need cost.

And that can mean a lot. For instance—

Drop in on your Buick dealer. Try out a ROADMASTER. Match it, feature by feature and point by point, with any other fine car on the road.

Then get the price.

You may well find that you can get not only a new ROADMASTER for the sum you had in mind—*but maybe a new fur coat for your wife as well!*

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs — vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tidioute Thumps Warren Nine, 10-3

Tidioute overpowered the Sons of Italy, 10-3, in an exhibition baseball game played at Jackson field last night as a benefit for Bob Walker, Sons of Italy fielder who was injured earlier in the season.

Joe Randinelli fashioned a neat seven-hitter for the down-river squad, while Paul Smith, chucking for the Warren squad, gave up 13 hits.

Tidioute opened the game with four runs and kept the score rolling until they had a 10-0 bulge. Sons of Italy got their first two runs in the sixth inning and added the third in the bottom half of the seventh.

Extra - base blows included doubles by B McGraw and Robertson for the victors and Gray for the Sons of Italy.

The two umpires, Dick Pearce and Flat Bonavita, donated their services for the benefit.

Score by innings:

Tidioute	422 200 0—10	13	1
Sons of Italy	000 002 1— 3	7	3

First Methodists Win Fifth Straight

The league leading First Methodist team took its fifth straight Church-Y Softball League win in the second half last night by downing the Hi-Y 14 to 9 in a contest played at Beaty Field.

Ken Christensen handled the pitching for the Methodists, going all the way, and John Daley for the Hi-Y.

Gail Nelson, Spinner Johnson, Methodists, and Jim Johnson, Hi-Y, wielded the big sticks with three for five each, while Fran Masterson, J. Johnson and Bob Reese clouted out homers for the losers. A triple was credited to A. Anderson for the Hi-Y, and Nelson and Nichols each had a two-sacker for the victors.

Score by innings:

Hi-Y	000 101 106— 9	8	
F'st Methodist	030 401 600—14	18
